

PUBLIC NOTICE

TULE WIND PROJECT CONSTRUCTION UPDATE

December 2, 2016

Information update for users of McCain Valley Road, Lark Canyon Campground, Cottonwood Campground and the Off Highway Vehicle (OHV) Riding Area. These notices will be posted periodically during the Construction of the Tule Wind Project.

SPECIFIC CLOSURE AND DELAY INFORMATION

1. No closures of the campgrounds or OHV riding area are planned through December 11, 2016. However, expect slow moving construction vehicles and equipment.

GENERAL CLOSURE AND DELAY INFORMATION

1. The plan for the balance of 2016 is to construct only from 7:00 AM to 5:00 PM Monday to Friday. No construction will occur during the holidays from December 21, 2016 to January 3, 2017. Security will be on site continuously.
2. McCain Valley Road will remain open throughout construction. However, visitors should expect to encounter slow-moving construction vehicles. Short road delays will occur at times during the Project's construction. When work is expected to cause delays of more than 15 minutes on McCain Valley Road; an advisory will be posted 48 hours in advance on the Public Information Board at the entrance to the McCain Valley Recreation Area and at <http://tulewindecomp.com/>.
3. The campgrounds and OHV areas will remain open throughout construction and wind project operations except for occasional closures for public safety. Public notices of campground and OHV area closures during construction will be posted 48 hours in advance.

PLEASE NOTE

1. Drive with extra caution due to slow moving construction vehicles and personnel on the roadway.
2. Check the project website or the Public Information Board before planning activities during the construction period.
3. Contact the Project's toll free hotline if you have questions or concerns on the construction activity: (844) 784-6549
