

PUBLIC NOTICE

TULE WIND PROJECT CONSTRUCTION UPDATE

December 20, 2016

Information update for users of McCain Valley Road, Lark Canyon Campground and Off Highway Vehicle (OHV) Area, and Cottonwood Campground. These notices will be posted periodically during the Construction of the Tule Wind Project.

SPECIFIC CLOSURE AND DELAY INFORMATION

1. No closures of the campgrounds or OHV riding area are planned through January 4, 2017. However, expect slow moving construction vehicles and equipment beginning January 3, 2017.

GENERAL CLOSURE AND DELAY INFORMATION

1. The plan for January of 2017 is to construct from 7:00 AM to 5:00 PM Monday to Saturday. No construction will occur during the holidays from December 21, 2016 to January 3, 2017. Security will be on site continuously.
2. McCain Valley Road will remain open throughout construction. However, visitors should expect to encounter slow-moving construction vehicles. Short road delays will occur at times during the Project's construction. When work is expected to cause delays of more than 15 minutes on McCain Valley Road; an advisory will be posted at least 48 hours in advance on the Public Information Board at the entrance to the McCain Valley Recreation Area and at <http://tulewindeccmp.com/>.
3. The campgrounds and OHV areas will remain open throughout construction and wind project operations except for occasional closures for public safety. Temporary closures of campground and OHV areas will be necessary during construction beginning in mid-January 2017; and these closures will be posted at least 48 hours in advance.

PLEASE NOTE

1. Drive with extra caution due to slow moving construction vehicles and personnel on the roadway.
2. Check the project website or the Public Information Board before planning activities during the construction period.
3. Contact the Project's toll free hotline if you have questions or concerns on the construction activity: (844) 784-6549.
